
Resources that may be of assistance to you during your enrollment at Babson are included below. Access to resources may vary based on program and enrollment status.

Get Involved!

Veterans Group

Student organization formed to support student military veterans and promote veteran specific opportunities on-campus and in business endeavors. Contact MBA student Derek Roberts at droberts3@babson.edu for more information.

Babson Arts

Presents performances, exhibitions, films, and conversations designed to be entertaining and to shine a spotlight on global issues, social and environmental concerns, the creative process, and the arts as a business.

Events

Keep up-to-date on the academic and social events at Babson.

Faith and Service

Provides programs and opportunities to foster personal growth, community spirit, and spiritual development, including volunteer and service opportunities, community engagement events, and service learning.

Student Clubs and Activities

Over 95 diverse clubs and organizations offer learning and leadership opportunities to help define your Babson experience.

Student Diversity and Inclusion Programs and Activities

Provides various programs and services to both undergraduate and graduate students. Works with organizations and departments to sponsor events that recognize and celebrate the rich, multicultural fabric of our campus.

Support

Advising

Class deans (undergraduate) and associate directors (graduate) provide academic and personal advising and support.

Career Development

The Center for Career Development (CCD) offices help students, alumni, and employers identify the right opportunities at the right time for the right reasons.

Counseling Services

Provides a variety of counseling for students who need consultation, referral, and short term treatment. All students have access to free counseling. Students can talk off the record with professionals at the Human Relations Service (HRS) in Wellesley.

Accessibility Services

Responsible for evaluating and coordinating services for students with disabilities. Reasonable accommodations are determined after consultation with the student and through review of the student's medical documentation.

SPARK Peer Tutoring Program (Undergraduate)

Aids in student learning by offering trained, qualified peer tutors for six core Babson academic requirements: Managerial Accounting, Financial Accounting, Finance, Operations, Macroeconomics, and Microeconomics. Peer tutors are extensively trained to work with students to support their overall understanding and enhancement of concepts and skills.

Speech Center

The Speech Center works closely with students as they learn how to be more effective communicators. Coursework may include speeches, oral briefings, class participation, or team presentations. The Speech Center also helps students develop competence and confidence in a variety of out-of-class projects and job-related presentations/interviews.

Writing Center

Supports members of the Babson community—staff, faculty, and students—who wish to strengthen their writing skills. Staffed by both faculty and peer consultants.
